

A Wedding Prayer

Lord God . . .

We thank you for the table you set, give

(Grooms First Name) and (Brides First Name)

Enough happiness to keep them sweet . . .

Enough trials to keep them strong . . .

Enough hope to keep them happy . . .

Enough sorrow to keep them human . . .

Enough success to keep them eager . . .

Enough failure to keep them humble . . .

Lord God “especially” grant to them enough friends to give them comfort . . .

Enough faith and courage in themselves, their careers and their Country to banish depression . . .

Enough wealth to meet their needs . . .

Enough determination to make each day better . . .

Enough wine to gladden their hearts, uplift their spirit as well as their friends and family this wondrous wedding day of love, in Jesus name. Amen.
